HANDYWORK OF THE TRINITY THE STRUCTURE, FORCES, AND MEANING OF REALITY

iUniverse. Paperback. Book Condition: New. Paperback. 120 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. It has been said that if you want to know what God is like, then look at the creation. This intriguing thesis will be examined. The numerous discoveries of science are like a picture puzzle scattered far and wide. Yet, if the physical, social, and philosophical sciences are considered in overview, the puzzle pieces are seen to interlock with wonderful clarity. From the smallest to the largest components, relationships, and concepts, they are readily classified in units of three. This structuring of reality is so pervasive at every level, that it boggles the imagination. This book explains in detail how the triadic design of nature is best understood as the unique Handiwork of the Trinity. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
