PROBLEMS IN PROBABILITY

World Scientific

World Scientific Publishing Co Pte Ltd. Hardback Book Condition: new. BRAND NEW, Problems in Probability, T. M. Mills, Probability theory is an important part of contemporary mathematics. It plays a key role in the insurance industry, in the modelling of financial markets, and in statistics generally - including all those fields of endeavour to which statistics is applied (for example, health, physical sciences, engineering, economics). The 20th century has been an important period for the subject, because we have witnessed...
