Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Gallipoli Diary, Vol. 1 of 2 So much for the past. Whether these entries have not served their turn is now the question. They were written red-hot amidst tumult, but faintly now, and as in some far echo, sounds the battle-cry that once stopped the beating of thou sands of human hearts as it was borne out upon the night wind to the ships. Those dread shapes we saw through our periscopes are dust the pestilence that walketh in darkness and the destruction that wasteth at noonday are already images of speech only the vastness of the stakes; the intensity of the effort and the grandeur of the sacrifice still stand out clearly when we, in dreams, behold the Dardanelles. Why not leave that shining impression as a martial cloak to cover the errors and vicissitudes of all the poor mortals who, in the words of Thucydides, dared beyond their strength, hazarded against their judgment, and in extremities were of an excellent hope?
