

Between Mao and McCarthy: Chinese American Politics in the Cold War Years (Hardback)

By Charlotte Brooks

The University of Chicago Press, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. During the Cold War, Chinese Americans struggled to gain political influence in the United States. Considered potentially sympathetic to communism, their communities attracted substantial public and government scrutiny, particularly in San Francisco and New York. Between Mao and McCarthy looks at the divergent ways that Chinese Americans in these two cities balanced domestic and international pressures during the tense Cold War era. On both coasts, Chinese Americans sought to gain political power and defend their civil rights, yet only the San Franciscans succeeded. Forging multiracial coalitions and encouraging voting and moderate activism, they avoided the deep divisions and factionalism that consumed their counterparts in New York. Drawing on extensive research in both Chinese- and English-language sources, Charlotte Brooks uncovers the complex, diverse, and surprisingly vibrant politics of an ethnic group trying to find its voice and flex its political muscle in Cold War America.

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.
