DIMENSIONS

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****. Two members of John s unit are assassinated shortly after and the unit separates to work on their own. William has been employed as a consultant for over four years by his company. He is about to be made redundant and so has time on his hands while he thinks about looking for another job. He has been experiencing some strange occurrences with some people he sees having a colored dot that only he can see, by their heads. Over the days he thinks he discovers what the dots mean and decides to do...
