An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

THE WORD-LOSS DIET

Createspace, United States, 2014. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Tighten and tone your writing style, and use simple revision tricks to slim down your manuscript. Shed thousands of words without changing the plot. Strip away the word fat and reveal the muscle of your unique author voice. This book is short, but potent. It is perfect for - self-editing before you submit your book to agents and publishers, or before self-publishing - understanding why your stories get rejected, or why so few readers buy your book after downloading the sample chapters - taking your writing craft skills to the next level - polishing your writing style for the move from amateur to professional The book is based on Rayne Hall s popular class of the same title which has helped many writers shed word weight and develop a leaner, stronger writing style. Some authors say the class was the best investment they ever made. Now you can study the techniques in book form at your own pace. Please note: This book assumes that you have some fiction writing experience. You ll benefit most if you ve already mastered the basics of the craft and want to learn specialist techniques. It is not recommend for absolute beginners.
