## TUCSON: THE LIFE AND TIMES OF AN AMERICAN CITY

University of Oklahoma Press, United States, 1987. Paperback. Book Condition: New. New edition. 251 x 175 mm. Language: English . Brand New Book. Dedicated to all those living elsewhere who would rather be in Tucson Tucson is the first comprehensive history of a unique corner of America, a city with its roots in Indian and Spanish colonial history; its skies broken by the towers of a Sunbelt metropolis. In these pages C. L. Sonnichsen, dean of southwestern historians and a Tucsonan by adoption—chronicles with humor and affection the growth over two centuries of one of the region's most colorful communities. Today's metropolitan Tucson is a city of half a million people. Set along the Santa Cruz River in the Lower Sonoran Desert in a great basin surrounded by soaring mountain ranges, it is different in many ways from any other city in the United States. Like all other Sunbelt centers, however, it is growing by great leaps and bounds. A popular winter resort, it attracts fugitives from the frozen North. The site of the University of Arizona, it draws many with an intellectual bent. For artists the attractions of the Old Pueblo are all but endless. The city booms with new people, industries, shopping centers, and subdivisions. Newcomers tend to bring along their ideas, life-styles, and landscapes, including Bermuda grass and mulberry trees, and have moved Tucson closer to the familiar patterns of urban America. But tradition and geography limit their efforts, for Tucson has always been the center of a separate world, with a history, population, and character of its own. It was an oasis far from other Indian cultural centers a thousand years ago. It was a remote outpost in 1776, when the Spaniards founded a presidio there. It was not far from the edge of the world when Anglos began...
