I have called this book The Rising Temper of the East because in it I have attempted to show not only the awakening of a billion backward peoples of the Old World but to sound a note of warning to the white Christian East. I have tried to tell the human story of the rising winds of new freedom, the coming of new ideas, the birth of new hopes, the whole renaissance of the ancient East. The white man s domination of the billion men of the East by force must cease. No longer can our culture and our civilization be carried to backward, ancient peoples on the vehicle of force. But they fail to take cognizance of a great new power...
