

Communicating with the African Patient (Paperback)

Filesize: 3.6 MB

Reviews

This ebook may be worth purchasing. it absolutely was writtern extremely completely and useful. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for relating to when you ask me).
(Idella Halvorson)

COMMUNICATING WITH THE AFRICAN PATIENT (PAPERBACK)

[DOWNLOAD](#)

University of KwaZulu-Natal Press, South Africa, 2004. Paperback. Condition: New. Language: English . Brand New Book. This book is filled with useful and practical language learning strategies designed to help doctors, nurses and other healthcare workers (who do not speak an indigenous language) to learn an African language through their daily contact with patients. More than this, it gives advice on ways to reach some understanding of the culture, health beliefs and world views of the patient in a medical consultation. Although English/Zulu and the Zulu medical culture are used as the examples, the underlying themes are applicable to any culture. The book has retained the humour and wit of its predecessor, *Learning Language and Culture in the Medical Consultation* , but it has been considerably revised and expanded to include more material on the cross-cultural consultation, the Aids pandemic, as well as appendices of vocabulary and survival phrases designed to facilitate communication and understanding in a medical context.
