Ave Maria Press. Paperback. Book Condition: new. BRAND NEW, Ten Commandments for the Environment: Pope Benedict XVI Speaks Out for Creation and Justice, Woodeene Koenig-Bricker, Seasoned author and journalist Woodeene Koenig-Bricker skillfully weaves together Pope Benedicts key statements on environmental justice into one volume. Additionally, she offers commentary that helps to unpack the "Ten Commandments for the Environment," which were recently released by the Pontifical Council for Justice and Peace. Koenig-Bricker helps us understand an environmentally responsible lifestyle as a moral responsibility to protect the poor, who suffer most when climate change creates a shortage of resources. With practical, everyday ideas for reducing ones ecological footprint, this book is a must-read for those seeking the inspiration that the Holy Father radiates to a new generation of Catholics.
