Frank Schaffer, 2003. Paperback. Book Condition: New. Algebra at School--It's Everyplace You Are makes school curriculum come alive. Engaging, hands-on activities help students see the connection between algebra concepts and their own experiences. The activities are relevant to the daily lives of students, drawing on locations, objects, and concepts that appear in and around familiar surroundings. This book includes six units to provide a variety of math experiences. Students will explore algebra at school in the classroom, in the lunchroom, on the playground, in the library, on the way to school, and in other locations at school.
