Reviews

This book might be well worth a study, and much better than other. Indeed, it can be perform, continue to an amazing and interesting literature. I realized this publication from my i and dad suggested this book to find out.
(Dejuan Rippin)

CALLED TO ARMS AGAIN

Createspace, United States, 2013. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Grit doesn't fade away . it just becomes crusty. With harrowing elements right out of today's headlines, this story reaches back into the sturdy heartbeat of people raised during the Depression and tested during World War II. Though the old uniforms haven't fit in many decades, their resilient spirits still have that same intensity which helped save democracy. Needing only a fresh angle to write her Veteran's Day special, Kelly discovers first-hand that the Greatest Generation still has enough grit to fight back. While all the authorities are occupied during a massive Homeland Security drill, an urban gang of thieves targets an isolated retirement subdivision . figuring the crippled geriatrics would offer no resistance. Though Kelly's widowed boyfriend came along only for a post-funeral luncheon, Mitch soon finds himself leading a mis-matched flanking team. Kelly's good friend Wade has his own assignment, with a home-made mortar and lots of illegal gunpowder. Maybe it's difficult to remember everyday things like taking pills, but these octogenarians have never forgotten it was up to them to defend family, home, and community. The out-come of their courageous stand depends on the resolve and resourcefulness of an unlikely ensemble of eccentric elderly neighbors, several American Legion members, and others spanning four generations.
