John Hunt Publishing, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. A young man has all but lost the will to live, for his life has become meaningless. However, though depressed, one place he always finds can lift his spirits is the forest, which he frequently visits. On one of these occasions he meets and chats with an old man who seems to ooze a genuine wisdom and spiritual depth. The old man becomes his mentor and, over time a beautiful relationship develops. Gradually the depressive re-discovers the wonder and magic of life, and he begins to think of his mentor as The Wizard. The Wizard gives him many gifts - tangible and symbolic items that bring profound spiritual insights and self-knowledge. Each of these gifts will be relevant and will speak directly to the readers of the book, and they too will begin experience a sense of inner magic and spiritual transformation.
