Oxford University Press. Paperback. Book Condition: new. BRAND NEW, AQA GCSE Chemistry Revision Guide, Our resources for the 2011 AQA GCSE Science specifications have been specifically developed by listening to teachers and addressing their needs. You can be confident your students will achieve the best grades as our course gives you more assessment, better engagement and extra help with delivery - much more than any other AQA GCSE Science course. The course is also the simplest and clearest approach of all resources available - containing all the help and support you need to teach the new specifications with ease and to make the transition as smooth as possible. The course also provides comprehensive exam preparation and assessment to help your students understand what is expected of them and improve their grades. The GCSE Chemistry Revision Guide contains activities to help students reach their true potential. It identifies areas that require further work and also contains concise fact banks and practice GCSE-style questions.
