Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the Desk of the How-To Junkie for the Inspiration Junkie Howdy friend, who wants to get inspired , Lacking inspiration? Not feeling your mojo? Can't find your muse? Don't sweat it fellow aspiring inspiration junkie! You are here because you want to have more inspiration in your life - whether it's for doing work, accomplishing goals, or putting that final touch on that magnum opus. Look around you, there are inspirations all around; you just have to find it and see it. I will help you do that; however, it's not going to be easy. Now you're probably wondering: Huh? Why are you telling me it's not going to be easy? Isn't that counterintuitive, because you're supposed to tell me how easy it is to get inspiration so I will buy this book? The truth is - inspiration is rather subjective. Let's face it, not everybody is going to get inspired by the same scenery of nature or the sound of a waterfall because each of us gets inspired by different things. You have to discover what they are for yourself. Thus, this will not be your typical feel-good inspiration book. On the contrary, this is more like an inspiration training workbook than anything else, for a personalized self-involved interactive approach to be an inspiration junkie. By being a Inspiration Junkie, you will know: * How...
