

Piece of Cake: A Simple Guide to Starting a Church, a Ministry or Other Life Project (Paperback)

By John Edward Burton

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I often feel like a freak in the Kingdom. It's not because I don't fit in, or because I don't have great friends and connections in the ministry. Rather, it's because I'm continually provoked by the possibilities to change the world through various ministries, projects and endeavors-and that results in a lot of action, shifting, trial and error that takes many beyond their comfort zones. As a visionary, my heart is to provoke and awaken a generation to the greatness of God, and I am seeking any and every vehicle I can find, or invent, to get that message out there. God is looking for people to blaze a new trail-people who won't delay and who won't wait for others to affirm them with a vigorous thumbs up. He is seeking people, like Paul, who have the confidence to run the race and call people to follow them as they follow Christ.
