## THE CONSTITUTION FAILED

Xulon Press. Paperback. Book Condition: New. Paperback. 232 pages. Dimensions: 8.5in. x 5.5in. x 0.5in. How can you say, The Constitution failed? Don't you mean, We failed the Constitution? Or is that a distinction without a difference? Since the declared and understood purpose to the writing and ratification of the Constitution was to create and sustain a limited government and since We the People now face an unlimited government, Dr. Robert Owens maintains we face the painful reality, The Constitution failed. As a member of the Richmond Tea Party and a contributing author to the websites of numerous Tea Parties across the fruited plane, Dr. Robert Owens, the author of the History of the Future, builds upon Dispatches from that History to show not only that the Constitution has failed but that in many ways that failure was foretold before it was ever ratified by the arguments of the Anti-Federalists. He then goes on to offer recommendations for how We the People can organize and advocate for a solution which will preserve liberty in the land of the free and the home of the brave. Dr. Robert Owens teaches History, Political Science, and Religion for Southside Virginia Community College and History for the American Public University System. Dr. Owens writes a weekly column of political/social commentary published by hundreds of print and online sources. Archives for these articles can be accessed at The History of the Future located at <http://drrobertowens.com>. His books include The Azusa Street Revival (ISBN- 1-59781-586-1), America Won the Vietnam War! (ISBN 1-594672-95-4) and NEVER FORGET! (ISBN- 1-591602-89-0). New times call for new methods. The Endnotes and bibliography for this book are linked to websites and since it is impossible to offer live links in print, the notes and Bibliography for this book can be found at...
