

## The Peregrine Falcon at the Eyrie (Paperback)

---

By Francis Heatherley

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the Introduction. NOW that the Sea Eagle and the Osprey are extinct, mainly through the depredations of egg-collectors, and the Golden Eagle is only tolerated in parts of Scotland where sportsmen find the bird useful in thinning down the grouse and hares that interfere with deer-stalking, the Peregrine Falcon is the grandest bird of prey we have left in England. The following account is based on field notes made during three successive springs at the same eyrie, and as their full relation involves a lot of monotonous reiteration, I will try and combine the salient facts of all three years in their proper order, so as to give a connected account from the date of hatching to the time when the young leave the eyrie. The full notes will, I hope, appear later in the Zoologist. My friend, Smith Whiting, whose bird photographs are a joy to all his intimates, holds strong views against the publication of any accounts of rare birds, as this, in his experience, only serves to betray them to egg-collectors, who really, in their lust...

### Reviews

*Most of these publication is the ideal ebook readily available. it was actually writtern very flawlessly and beneficial. I discovered this book from my i and dad suggested this book to find out.*

-- **Prof. Lavern Brakus**

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).*
