50 Puzzles for Lateral Thinking

By Charles Phillips

Connections Book Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, 50 Puzzles for Lateral Thinking, Charles Phillips, What sets us apart from other forms of life is the ability to think of ourselves and for ourselves. So, although there is no doubt that we think, the real question is: How many of us know how to think to our full potential? Answer: Not many! But now we have the "How to Think" puzzle book series. If you want to boost your brain's performance, and learn how to think clearly and effectively in any given situation, read these books, and tackle these puzzles. This work includes 50 Puzzles for Lateral Thinking. Isn't it annoying when you know that the solution to a problem is right before you but you just can't see it? Thinking and working out problems needn't be hard work - in fact trying too hard can trap you in rigid thought patterns and blind you to unexpected but brilliant solutions. This enlightening guide will show you how to see and think in new ways. You'll gain fresh understanding of your powers of perception, and through simple exercises you'll develop the skills to think in new directions.

Reviews

Complete guide! Its such a good go through. It is rally fascinating through reading period of time. Its been written in an extremely basic way and is particularly only after i finished reading through this publication through which really changed me, change the way i really believe.
