

## Florida State University (Paperback)

By Eddie Woodward

Arcadia Publishing (SC), United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. After the Florida State Legislature passed an act calling for the creation of two seminaries of learning in 1851, West Florida Seminary was established in Tallahassee. In the 1880s, the seminary's curriculum was reorganized along the lines of a conventional four-year college, and in 1901, the name was changed to Florida State College, better suiting its well-rounded liberal arts education and the traditional college experience offered to its students. With the passage of the Buckman Act in 1905, the school began a new chapter as the Florida Female College. After the name was changed to Florida State College for Women in 1909, it went on to rank as one of the premier women's colleges in the country. In 1947, in part to accommodate the influx of returning GIs, the school resumed its coeducational status as Florida State University. Combining traditional strength in the arts and humanities with recognized leadership in the sciences, Florida State University is one of the country's foremost research institutions today.

### Reviews

*It becomes an remarkable publication that we have at any time study. It is among the most remarkable pdf i have go through. I am just easily can get a satisfaction of reading a published book.*

-- **Alayna Ankunding DVM**

*This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*
