It wasnt a good idea to be in the spotlight with vicious Seekers and heartless demons out to kill him. The fantasy of blending in disappeared when he met half-human, half-demon, and dangerously hot Kayla Tanner. Gone were the cares of hiding the wolf he was, replaced with an urgency to claim her. Could he help the woman of his dreams avert certain death at the hands of her demon father while maintaining his own secret Kayla was simply trying to live a normal life. One where she hung out with her friends, enjoyed campus life and wasnt being stalked by her deathly father the demon Alchoe, who vowed to kill her if she didnt return to Hell with him. In fact, when Mitch approached her at a frat party, she knew she should walk away because there was nothing normal about him but she didnt. Instead, she ignored her apprehension. One night of passion left her spiritually bound to him. Fresh with imprint from the werewolf she barely knew, she would have to find a way to save her life, while protecting her heart.
