

## Human Chromosomes (Paperback)

By Orlando J. Miller, Eeva Therman

Springer-Verlag New York Inc., United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. The fourth edition of this well-known text provides students, researchers and technicians in the area of medicine, genetics and cell biology with a concise, understandable introduction to the structure and behavior of human chromosomes. This new edition continues to cover both basic and up-to-date material on normal and defective chromosomes, yet is particularly strengthened by the complete revision of the material on the molecular genetics of chromosomes and chromosomal defects. The mapping and molecular analysis of chromosomes is one of the most exciting and active areas of modern biomedical research, and this book will be invaluable to scientists, students, technicians and physicians with an interest in the function and dysfunction of chromosomes. Softcover reprint of the original 4th ed. 2001.
