With no memories of anything before the plane crash, he is left to figure out his past to help the Illuminati fulfill their main goal-a New World Order. His love for Nina Owen might be the only way to fulfill his destiny. His devotion to the Illuminati, the mafia and his family, collide into one oblivious ball of chaos. The price of power always comes with a room full of enemies. Frederick Olivetti ventures on a quest to avenge his cousin. His abilities give him a morbid advantage in the world of organized crime. His duty to the illuminati has nothing to do with him and everything to do with the safety of his future grandson. Part 2 of the Olivetti Series will make you question the existence of the Rulers of the world we don t see. It s a bittersweet tale of a grandfather and his grandson that will leave you hanging for the last book of the Olivetti Trilogy-Olivetti: Inferno.
