Egmont UK Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. From the critically acclaimed author of cult teen novel Grasshopper Jungle, Andrew Smith, comes a startlingly original tale of friendship and brotherhood, war and humanity, identity and existence. Ariel, the sole survivor of an attack on his village in the Middle East is `rescued from the horrific madness of war in his homeland by an American soldier and sent to live with a family in suburban Virginia. And yet, to Ariel, this new life with a genetic scientist father and resentful brother, Max, is as confusing and bizarre as the life he just left. Things get even weirder when Ariel and Max are sent to an all-boys summer camp in the forest for tech detox. Intense, funny and fierce friendships are formed. And all the time the scientific tinkering of the boys father into genetics and our very existence are creeping up on them in their wooden cabin, second by painful second . . . An immersive read for fans of Michael Grant, John Green, Stephen King, and Sally Green s Half Bad novels. Andrew Smith has always wanted to be a writer. After graduating college, he wrote for newspapers and radio stations, but found it wasn t the kind of writing he d dreamed about doing. Born with an impulse to travel, Smith, the son of an immigrant, bounced around the world and from job to job, before settling down in Southern California. There, he got his first `real job , as a teacher in an alternative educational program for at-risk teens, married, and moved to a rural mountain location. Smith has now written several award-winning YA novels including Winger, Stick, and Grasshopper Jungle. Praise for Grasshopper Jungle Grasshopper Jungle is what would happen...
