Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

Book Condition: New. Publisher/Verlag: McGraw-Hill Professional | 50 Take Charge Leadership Techniques & Light Construction Glossary | In this construction supervisor's pocket-sized manual, construction managers and field supervisors alike will find a concise tool kit of leadership skills to motivate and marshal workers onsite. It provides solid, common sense guidelines to preempt, use, and refer to, as problems arise - from unexpected work stoppages to getting better performance and productivity from all. It provides quality tools specifically intended for construction crew supervisors, who have one of the toughest leadership job of all: managing workers with a wide range of skills under difficult and sometimes dangerous work conditions. The accompanying glossary of common light construction terms and phrases will also be of immense help when one is faced with unfamiliar items and procedures on the job site. The book can also be used in the classroom as a useful adjunct to more traditional texts on construction management. | Format: Paperback | Language/Sprache: english | 212 gr | 160x104x18 mm | 228 pp.
