

## Iconnect: The Power of Identity in a Plugged-In World (Paperback)

By Don Pearson

Bhbc Pub, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. As a student, there is a powerful connection between your relationships, your identity and how you use technology. The device in your hand wields immense power and unlimited reach. With it you can unleash power to change the world or create a toxic backwash. iConnect is a challenge to link the dots between technology habits and your identity. The (start) and (stop) of our tech saturated age has addicted us to the flow of culture and altered our perceptions of reality. Too often we just float through the day surrendering our identity to the whims of others. Learning to (pause) is a critical step in partnering with God to ignite our God-given influence in this interconnected world. Plugging in on God's terms, we can experience grace and the thrill of linking a broken world with our loving God.
