U.S. Air Marshall Aleck Eyres has always taken his job seriously. So seriously, in fact, he hasn't allowed himself to be tied down. Love finds him quickly and affects him deeply, but will it be enough to overcome the painful secret that has kept him from sharing his heart all this time? The winds of change have blown Amie's way and affect her and Aleck as well as the magical beings in a land called Wisteria. The appearance of winged creatures in Amie's life is just the start. She will soon learn that she is meant to harness the element of Air and as she discovers her power, the gypsy's warning has her questioning her path. Should she follow her head or her heart?
