You are not aware that no man has to adopt a definition of manhood that impedes operating in his truest self. You haven't pondered on the necessity, beauty and testicular fortitude that men bring to the world. As a result of reading this book YOU WILL! This book is tailored to every man that has ever felt that who they were was worthless, for every man that has choked on the silent frustration of not being enough, for every man that has been ridiculed for their lack of masculinity and for every man that desires to look in the mirror and love the reflection that is saturated in power and purpose. Asa Leveaux, with the compassion of a friend, shows you that no matter what you have or have not accomplished, you are a man and that alone is enough. Whether you identify with being a part of a particular race, sexual preference, industry, country, nationality, fraternity or group I Am Man Enough will show you how to see your importance, value and belief in your possibilities. Asa Leveaux, founder of Genius Academy(TM), had the following to say, The purpose of this book is to develop the hearts and minds of men around the world so they can become aware that they are enough, Leveaux said, I wrote this book because the men in my life felt that their masculinity had to be proven by who they loved, how they fought, where they operated and what they had and I my desire is to offer a new way of BEING man.
