V&R Unipress Okt 2013, 2013. Buch. Condition: Neu. Neuware - 'The 4th session of the International Forum on Crime and Criminal Law in the Global Era (IFCCLGE) titled 'The Trend of Crimes in the Global Era and a Critical Review and Transcendence of Traditional Penal Theories and Systems' took place in Beijing, China from 1st to 3rd December 2012. Experts from 21 countries and the UN discussed penal theories and their relation to human rights. As the protection of human rights is one of the states' most important tasks, penal theories are supposed to focus on human rights as well. Therefore, death penalty, as a governmental measure, proves unjustifiable. This collection of articles contains contributions of the members of the German delegation. The articles deal with the 'defence of human rights' theory, criminal penalty law and questions of substantive criminal law, and concentrate particularly on the influence of European and international law on the German national law. 132 pp. Deutsch.
