STOP BULLYING ME AND START. (PAPERBACK)**DOWNLOAD**

Outskirts Press, United States, 2015. Paperback. Condition: New. Kem Ormand (illustrator). Language: English . Brand New Book ***** Print on Demand *****.I Moniqua Flores am a native Texan. I was born in Houston, grew up in LaMarque and currently live in Dallas. I am a wife, mother, step-mother, and a grandmother. I am an active member of the Potters House in Dallas Texas under the Pastoral Leadership of Bishop T.D. Jakes. I obtained my Minister s License from The Potter s House School of Ministry. I hold an Associate and Bachelor of Science Degree in Business Administration with a concentration in Project Management from Colorado Technical University. I am a Realtor and Entrepreneur at heart. When God called me to ministry I made a conscious decision to give myself to the work of the ministry. I have come to know ministry as a position of servant hood and sacrifice. I have a love for God as well as a love and care for His people. I am a woman who finds my basic identity in God. I listen, believe, and have a heart desire to obey the Word of God and have the fullness of joy in His presence. I devote myself to the study, observance, and teaching of the Word of God. A coherent life with meaning and purpose is what I look forward to daily. My favorite scripture is Philippians 4:11-13. Some guidance I would like to share with you is, to pray, face your fears, be patient, give back, and find a career you love and own it. Glory and honor be to God! For more information visit:
