Brand New Book ***** Print on Demand *****.In 1912, just over a decade after the infamous Jack the Ripper murders, William Roberts builds a device that can record sound from the past. As he walks the streets of Whitechapel he hears the voices of the Ripper s victims calling out to him and becomes determined to stop the crimes from ever happening. As Roberts obsession drives him to madness, he suddenly disappears from the very streets he knew so well. Now, you follow in Roberts footsteps, listening to the recordings he made of the victims, solving the mysteries of their deaths, and evading the Ripper as he draws ever-nearer. Discover the secrets of the Whitechapel Murders, upon the actual streets of London, or from the comfort of your own home. but beware, as you slip deeper into this world of poverty and death, you might uncover Roberts fate by making it your own. A remarkable visual-audio-interactive experience that will immerse you in London s Whitechapel District unlike anything you have ever known before. This VAEO requires a smartphone/camera-enabled tablet, headphones, a QR Code Reader App (i-nigma or Qrafter are recommended) and the ability to face your inner terrors.
