

## Ethnographic Practice in the Present (Paperback)

Filesize: 3.34 MB

### **Reviews**

*This type of ebook is everything and got me to seeking in advance plus more. it was writtern really completely and helpful. You wont feel monotonny at at any moment of your respective time (that's what catalogues are for about should you request me).*  
*(Dr. Santino Cremin)*

## ETHNOGRAPHIC PRACTICE IN THE PRESENT (PAPERBACK)

Berghahn Books, United Kingdom, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In its assessment of the current state of play of ethnographic practice in social anthropology, this volume explores the challenges that changing social forms and changing understandings of the field pose to contemporary ethnographic methods. These challenges include the implications of the remarkable impact social anthropology is having on neighboring disciplines such as history, sociology, cultural studies, human geography and linguistics, as well as the potential costs of this success for the discipline. Contributors also discuss how the ethnographic method is influenced by current institutional contexts and historical traditions across a range of settings. Here ethnography is featured less as a methodological tool-box or technique but rather as a subject on which to reflect. Marit Melhuus is Professor of social anthropology at the University of Oslo. Her earlier work has been on issues of gender, morality and change in Latin America, and her publications include *Machos, Mistresses, Madonnas. Contesting the Power of Latin American Gender Imagery* (co-edited with Kristi Anne Stolen, Verso, 1996). Her current research concerns biotechnology, kinship, and law, and she has published numerous articles on these questions. Recent publications include *Holding Worlds Together: Ethnographies of Truth and Belonging* (co-edited with Marianne Lien, Berghahn, 2007) and *La Norvege, vues de l interieur*, a special issue of *Ethnologie francaise* (jointly edited with Sophie Chevalier and Marianne Lien, 2009). Jon P. Mitchell is Reader in anthropology at the University of Sussex. His main ethnographic research was conducted in Malta, covering themes of ritual and religion, politics and the state, history, memory and modernity, and popular culture. His publications include *Ambivalent Europeans: Ritual, Memory and the Public Sphere in Malta* (Routledge, 2002), *Powers of Good and Evil: Social Transformation and Popular Belief...*
