Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

GRAVEN IMAGES (PAPERBACK)

Emu Dreaming, Australia, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.England 2005: the year of the London Tube bombings. A world dominated by the internet and the fear of terrorism. But the ancient pagan religions of witchcraft and Wicca are making a comeback. Most Wiccans are ordinary people united by a simple New-Age faith in Nature and ancient spirits. But hidden in their depths lurks a sinister organisation, the Wakened, who plan to restore Wicca as the primary religion of Britain, and seem prepared to kill to achieve it Owen is a young up-and-coming Cambridge biologist whose comfortable middle-class life is torn apart by the death of his girlfriend Sarah. Owen's quest to bring her killers to justice takes him into the core of the Wakened, where he uncovers ancient clues to the roots of Wicca. After being drawn into a Wiccan terrorist plot, he finds himself sliding helplessly from respected academic to hunted criminal. This novel is fiction: a mystery/thriller. But embedded within it is ancient knowledge, fused with insights from modern astronomical knowledge, questioning the origin of Wicca and witchcraft.
