Book Description: Topping her bestselling success with *Alvirah* and *Willy*, in *The Lottery Winner*, America's Queen of Suspense introduces a new sleuthing couple, Henry and Sunday, an ex-president and his young congresswoman bride. Henry Parker Britland IV is wealthy and worldly--a beloved former president who, still youthful, is enjoying early retirement. His new wife, Sunday, is beautiful, smart and seventeen years younger than he, and has just been elected to Congress in a stunning upset victory that has made her the darling of the media. Henry and Sunday make a formidable team of sleuths--and never more so than when they set out to solve crimes occurring among their friends in political high society. When Henry's former secretary of state is indicted for the murder of his mistress, Henry and Sunday suspect he is taking the fall for a crime of passion he did not commit. But why? Wit.
