The movement caused him to slide in slightly and they both drew in breaths at the sudden, beautiful feeling. I love you, Lee said, meeting her eyes as if wanting her to see the sincerity as he looked at her. She brushed the hair away from his face and traced her fingertips over his lips. He closed his eyes and leaned into the touch, parting his lips so that her fingers would dip briefly into his mouth. I love you, she said back. Lee brought his hips forward slowly, letting himself savor the feeling as he sank deeply into her. Jane s body hugged him closely, shaping to him as if her body was crafted to accommodate him. He kissed her languidly as he stroked within her slowly. Each glide massaged her deeply and intensely, and she moaned softly beneath him, the sounds making him feel powerful as he felt her tremble at his touch. There was no rush to his movements as he made love to her. He allowed to delicious feeling of her body wrapped hot and wet around him erase the rest of the day and strengthen him for what waited in the morning.
