Createspace, United States, 2014. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the most comprehensive guide on going from business ideas to starting a business because the book is based on research of 300,000 entrepreneurs just like you! Prior to writing the book, I observed the experiences of 300,000 entrepreneurs who used my Problemio business apps to start a business. I personally talked to and helped over 1,000 entrepreneurs right on the apps or in my business coaching practice. This gave me a great understanding of what entrepreneurs go through. It helped me understand the kinds of problems you will run into as you start your businesses, and how to steer you clear of pitfalls and give you the proper fundamentals to maximize your chances of success. This book will help you by giving you step by step advice on almost every step you must take as you go from business ideas to eventually start your business. In my research, I noted every question entrepreneurs ever asked (my apps allow entrepreneurs to ask me questions) as they were going from business ideas and starting their businesses. I grouped those questions into general topics and subtopics. Those topics and subtopics became the chapters and subchapters of this book. The book starts by covering business idea fundamentals such as: - How to get business ideas - How to protect business ideas, and whether you should protect business ideas - How to determine if a business idea is good - What to do if you have too many business ideas and can't decide which one is best - What next steps to take after you gave a great startup idea The book also teaches you about options to help you...
