Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. 3rd ed.. Language: English . Brand New Book. Advertising Media Planning and Buying Textbook NEW! Media Planning Buying in the 21st Century (3rd edition) is a leading textbook for students and early career professionals about the process of marketing-media planning, media buying and media sales in the 21st century. It is the most comprehensive and up to date media book available explaining the basics of media in simple English and a 21st century integrated marketing communications (IMC) perspective. Media Planning Buying in the 21st Century The book includes 26 chapters leading readers step by step in the development of an actual media plan. Chapters include entry level definitions and perspectives; the media revolution; the concepts of audience, impact and media costs; media math; media in marketing, how media work; target marketing and geographic development; the tools of IMC; role of traditional vs. digital media; internet marketing; developing a strategic media plan; media negotiations and buying; media sales; the future, and a few surprises. The Media Planning Revolution Let the buyer beware! We are in the early stages of a media revolution with exponential change everywhere-- which impacts every aspect of the marketing communications and advertising media planning process. Examples: changes in demographics; demand for integrated marketing communications and interactivity; demand for accountability; new technologies and media innovations; certain traditional media will likely flounder; media convergence will continue; and consumers will gain even more control over their media/ advertising consumption. Jesse James Rides Again! As if learning about the exciting changes like those cited above wasn't enough, here's a new and perhaps unexpected challenge for advertising media professors, students, and professionals alike. In the good old days, media planning and buying and selling used to be a goody two shoes occupation,...
