Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Advance of Our West African Empire Commenced in India - continued, as far as official duties would permit, in West Africa; and completed during my leave of absence in England - I now place this volume before the public, in the hope that all shortcomings will be forgiven. It is intended to be a plain statement of facts, and although I am aware that I have been unable to describe all the incidents of the various expeditions, and have given none of the Protectorate Expedition in 1899, What I have said is, I believe, correct in detail.
