

Breathing On Glass

By Jennifer Cryer

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Breathing On Glass, Jennifer Cryer, Rhea - dark, intense and brilliant - and her golden, voluptuous sister Amber are not alike, but they are bound tighter than most: by love, by the loss of their father, and by the man who stands between them. Lewis is Amber's husband and the ferociously driven director of the biotech lab where Rhea is a rising star. In search of funding, academic advancement and in alchemical pursuit of the perfect stem cell - their Holy Grail in one flawlessly reproducing genetic blueprint - Rhea and Lewis inhabit a rarefied world. Putting their trust in science, they are blinkered against the fatal human element: sex and envy, treachery and error. Amber, however, desperate for a child and embarking on fertility treatment, must confront precisely this flawed physicality, and a Faustian pact is forged. As the three are increasingly drawn into a transgressive relationship, the result is a series of betrayals that none, finally, will be able to forgive. Breathing on Glass is both coolly analytical and erotically subversive in its exploration of passion and power intertwined, and breeds a whole DNA sequence of cautionary tales...
