Station Square Media, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Are you struggling to turn your great idea into an even better novel? Learn how to craft a compelling story right from the start. Is your dream of writing a novel sitting in a desk drawer or in a forgotten folder of your computer? Have you spent countless hours on endless draft revisions without making much progress? Have you given up hope of writing a manuscript you can truly be proud of? Today's the day to take charge of your writing career. Let veteran book editor Diane O'Connell show you how. Drawing on her years of experience working with novelists for a major publishing house, O'Connell's guide is a must-read if you want to improve your storytelling. While most books on writing are written by authors, the award-winning *The Novel-Maker's Handbook* is different. Experienced editors know that successful books aren't just about technique. You need to create a compelling story arc and pitch it in a way that gets noticed. O'Connell's gem is the only book that provides first-time novelists with a proven system for writing a book in less time while improving all facets of your storytelling. In *The Novel-Maker's Handbook*, you'll discover: - How to write your novel with ease to get your book right the first time - How to fully understand the techniques needed to polish your novel into a must-read - How to draw from the tactics of bestselling authors to write your own page-turners - How to identify your weak spots and exactly what to do to fix them - How to build life-long skills as a writer, and much, much more! Whether you want to prepare...
