Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Articles of Confederation and Perpetual Union, commonly referred to as the Articles of Confederation, was the first constitution of the thirteen United States of America. The Second Continental Congress appointed a committee to draft the Articles in June 1776 and proposed the draft to the States for ratification in November 1777. The ratification process was completed in March 1781, legally federating the sovereign and independent states, allied under the Articles of Association, into a new federation styled the United States of America. Under the Articles the states retained sovereignty over all governmental functions not specifically relinquished to the central government. Benjamin Franklin was one of the Founding Fathers of the United States of America. A noted polymath, Franklin was a leading author and printer, satirist, political theorist, politician, scientist, inventor, civic activist, statesman, and diplomat. As a scientist, he was a major figure in the Enlightenment and the history of physics for his discoveries and theories regarding electricity. He invented the lightning rod, bifocals, the Franklin stove, a carriage odometer, and the glass armonica . He formed both the first public lending library in America and first fire department in Pennsylvania. He was an early proponent of colonial unity, and as a political writer and activist he supported the idea of an American nation.[2] As a diplomat during the American Revolution he secured the French alliance that helped to make independence of the United States possible. Franklin is credited as being foundational to the roots of American values and character, a marriage of the practical and democratic Puritan values of thrift, hard work, education, community spirit, self-governing institutions, and opposition to authoritarianism both political and religious, with the...
