## THEIR PROMISED LAND: MY GRANDPARENTS IN LOVE AND WAR (HARDBACK)

ATLANTIC BOOKS, United Kingdom, 2016. Hardback. Book Condition: New. Main. 217 x 159 mm. Language: English . Brand New Book. Ian Buruma's maternal grandparents, Bernard and Winifred (Bun Win), wrote to each other regularly throughout their life together. The first letters were written in 1915, when Bun was still at school at Uppingham and Win was taking music lessons in Hampstead. They were married for more than sixty years, but the heart of their remarkable story lies within the span of the two world wars. After a brief separation, when Bernard served as a stretcher bearer on the Western Front during the Great War, the couple exchanged letters whenever they were apart. Most of them were written during the Second World War and their correspondence is filled with vivid accounts of wartime activity at home and abroad. Bernard was stationed in India as an army doctor, while Win struggled through wartime privation and the Blitz to hold her family together, including their eldest son, the later film director John Schlesinger (Midnight Cowboy, Sunday Bloody Sunday), and twelve Jewish children they had arranged to be rescued from Nazi Germany. Their letters are a priceless record of an assimilated Jewish family living in England throughout the upheavals of the twentieth century and a moving portrait of a loving couple separated by war. By using their own words, Ian Buruma has created a spellbinding homage to the sustaining power of a family's love and devotion through very dark days.
