Date :2009-1-1. This year. six exam. we are Beijing, Xian, Shanghai, Wuhan. some candidates do interviews. talking about reading. they with one voice: the article is difficult. Usually done so much to read. play. or feel so difficult. unfamiliar words. long sentences is difficult. always tie him down. every step was hard to read. Time was tight. Feel the article is difficult. always has been hobbled. naturally do not increase reading speed. time is particularly tight. to the back. almost no time to read. Hands and feet chaos. Articles hard. tight. do problems suddenly become confused. without discipline. and hands and feet chaos. no tricks exacerbated by time constraints. Read the examination room so incomprehensible. so hectic. because the normal reading does not read. does not practice - 80% of candidates do not know how to practice reading: read but not to - a chapter test themselves. rather than raising their own. Read a lot to do. each one can be. are simply doing the questions. the answer will check the...
