Reviews

It is really an remarkable ebook that we actually have ever read through. I actually have study and i also am confident that i am going to gonna study once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ewell Rempel)

BOA Editions, Limited, United States, 1999. Paperback. Condition: New. Language: English . Brand New Book. Ray Gonzalez s sweeping Cabato Sentora takes the reader to the heart of the Chicano/American Southwest experience. Evoking magical realism in the tradition of Gabriel Garcia Marquez, Gonzalez writes of the successes and losses of the materially-poor, spiritually-rich Chicano townspeople and Mexico s native Yaqui tribe. The result is a new mythology, one that honors gourds, beans, guitars, fingernails, adobes, arroyos and mesas, even the head of Pancho Villa.
