

## In the Ruins of the Reich (Paperback)

By Douglas Botting

Methuen Publishing Ltd, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. First published in Britain in 1985, In the Ruins of the Reich is a classic account of Nazi Germany after her fall to the Allies in May 1945. Douglas Botting concentrates on the defining events that took place in the period between the collapse of the Third Reich and the foundation of the new Germanys to create the prevailing atmosphere of a most unusual and little-charted time in history. This was a period when four of the strongest industrial nations to emerge from the Second World War attempted to work together to govern the once strong Germany, now prostrate, impoverished and devastated by war and defeat. Telling the story of the dynamics between occupiers and occupied, the crimes perpetrated by both and the Imperial tendencies of the occupiers, Douglas Botting shows that the plan to bring democracy to Germany was far from flawless or straightforward.
