Alfred A. Knopf Books for Young Readers, 2016. Hardback. Condition: New. Language: English . Brand New Book. Fans of Tim Federle and Louis Sachar will love this hilarious story of what happens when the non-jocks kidnap their sports-obsessed school s beloved mascot. Seventh-grade playwright Olive Henry is frustrated by her middle school s lack of appreciation for anything but sports. While the principal drones on and on during morning announcements about the sports teams victories, all non-athletic club meetings are relegated to the school basement, never to be mentioned on the loudspeaker. So Olive and her best friend, Reynaldo, hatch a plan to kidnap the school s capybara mascot, planning to return it, heroically, just in time for the school s pep rally and claim a reward: permission for their drama club to practice in the auditorium. And, hopefully, some overdue respect for the school s non-athletes. But when an animal-rights student activist and an undercover athlete with murky motivations join in the conspiracy, their plans--along with Cappy the capybara--veer wildly out of Olive s control.
