

Philanthropy in the Changing World: A Changing Attitude to Giving? (Paperback)

By Vladimir Hyanek

GRIN Publishing, Germany, 2011. Paperback. Condition: New. 3. Auflage. Language: English . Brand New Book ***** Print on Demand *****.Research Paper (postgraduate) from the year 2010 in the subject Economics - Other, Masyryk University (Centre for Nonprofit Sector Research), language: English, abstract: The topic of philanthropy has been receiving attention internationally for several decades. Like other areas of non-profit studies, charitable giving and volunteering are attracting more and more attention from researchers in a wide variety of disciplines, including economics. Even though philanthropy tends to be considered a sociological theme rather than an economic one, it poses a number of questions that challenge economists as well. Among others we chose the following: How can economists contribute to the theories related to philanthropy? Can we consider voluntary giving a demonstration of generosity rather than a market-based solution? Firstly, we intend to examine the terms that are used in the theory of public economics and to use them to examine the issues of philanthropy. They are as follows: the Samaritan s Dilemma; the Prisoner s Dilemma; or the Free-rider Problem, which we consider to be interesting and inspiring (Stone 2008). Next, we will try to answer the second question by means of...
