Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Up Side Down: Plain Talk about Out-of-the-home Caregiving is for the person whose life has been turned upside down by a tough decision. Materials for caregivers are plentiful and helpful but are most often directed to the in-home situation. They may leave the out-of-the-home caregiver feeling even more frustrated and guilty over their decision. This book is plain talk from someone who has been there. Part II is the flip side - Down Side Up. Caregivers need the opportunity to stop, look, and listen. Some of the harum-scarum sketches are faith reminders, some are silly, some are a little sarcastic. The vignettes are intended to be encouraging but if one is depressing, skip it, Caregiver. You don t need that right now.
