Reviews

This sort of book is every little thing and made me searching ahead and more. Sure, it is actually play, nonetheless an amazing and interesting literature. You wont feel monotony at whenever you want of the time (that's what catalogs are for relating to in the event you ask me).

(Gavin Bosco IV)

BEHOLD THE BONES (HARDBACK)

Harper Teen, 2016. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. A haunting, chilling, and atmospheric southern swamp tale--perfect for fans of Maggie Stiefvater's Shiver. In this companion to Beware the Wild, the book New York Times bestselling author Kiersten White called American myth at its very best, Natalie C. Parker takes readers on a journey back to an eerie Louisiana swamp town. Candace Candy Pickens has been obsessed with the swamp lore of her tiny Louisiana town for . . . forever. Name any ghostly swamp figure and Candy will recite the entire tale in a way that will curl your toes and send chills up your spine. That doesn't mean Candy's a believer, however. But with swamp haunts appearing in town every day, a suspicious new family in town, and her own mind starting to betray her, Candy must come to terms with the one piece of swamp lore she's never heard before. It's a tale that's more truth than myth, and may hold all the answers . . . and its roots are in Candy's own family tree.
