The events in this story are true, but the names and locations have been changed to protect the reader. Alexis is a psychic who never believed in demons until she came face-to-face with pure evil. This is a true story of her battle with a terrifying entity so powerful it turned her life upside down, tore her family apart, and put her life in danger. Her nightmare begins shortly after she and her husband relocate to a small lakeside community. After hearing rumours about the nearby Matthews residence, Alexis investigates the nineteenth century house and its spirit inhabitants. She soon finds herself caught in a demon s snare of violent fury-subjecting her to deep growls, a malevolent force attacking her in bed, and phantom apparitions, ultimately leading to a horrific spiritual battle with a demon hell-bent on her destruction.
